Consider ALL your options!

This year, Lakes & Prairies is offering a new service for those who are receiving federal tax refunds. We would like you to consider saving a portion of your refund in one of the following ways:

- **A Split Refund**: Direct deposit a portion of your refund into a savings account, and the balance into a checking account. You will need to have your bank routing number and account number with you at your tax preparation appointment.
- **U.S. Savings Bonds**: U.S. Savings Bonds can now be purchased at the time you file your tax return in \$50 increments.
