Dear Brenda:

Enclosed are the original and one copy of the 2021 Exempt Organization returns, as follows...

2021 Form 990

2021 Minnesota Annual Report

PUBLIC INSPECTION - A copy of the return must be retained for public inspection. Each Form 990 must be made available for a period of three years from the due date specified in the filing instructions. This requirement applies to all portions of the return except for the names and addresses of any contributors to the organization.

This requirement also applies to the application for tax-exempt status (Form 1023 or 1024) and the Internal Revenue Service determination letter approving exempt status.

An organization may instead post relevant documents electronically on its website in order to fulfill the requirement of the public inspection copy.

Each original should be dated, signed and filed in accordance with the filing instructions. The copy should be retained for your files.

We prepared the return from information you furnished us without verification. Upon examination of the return by tax authorities, requests may be made for underlying data. We therefore recommend that you preserve all records which you may be called upon to produce in connection with such possible examinations.

Sincerely,

Brian Aronson, CPA
